UK PonyCon Merchandise 2023!

Our ever popular merchandise is back - come and check it out at the UK PonyCon merchandise stall.

Welcome

Welcome to UK PonyCon 2023

The UK PonyCon team is pleased to welcome you to UK PonyCon 2023. Whether this is your first time here or you're returning for more, we hope you have a great time.

This year's theme is "Generations". Hasbro is celebrating 40 years of My Little Pony this year, although the franchise has its roots much earlier. The only constant is change, and our beloved little ponies have gone through many changes over the past 40 years. Indeed, many who grew up with ponies in the 80s and 90s now have their own new generation and can enjoy Generation 5 together. Here at UK PonyCon we celebrate all generations, and you'll find this reflected in our stalls hall and events programme.

Riding for the Disabled Association continues to be the convention's adopted charity. RDA groups across the UK help children and adults with disabilities develop physical balance and mobility, communication and relationships, and most importantly confidence and happiness. Please speak to the RDA volunteers at their stall and they'll tell you more about their work. We're grateful for the items donated to the charity auction, and to those who bid generously. Our tombola also raises money for RDA, and sponsor tickets raised hundreds of pounds before the weekend even began!

I invite you to make the most of the convention weekend, whatever that means for you. We have more stalls than ever before to satisfy your shopping needs, our events schedule is packed from presentations to games, covering all sorts of topics from valued contributors, our Saturday night music concert is here again, we've got special guests who will share their stories, and if you're here to catch up with friends, we've got plenty of spaces for you to do that too. If you need any help, please talk to one of our friendly team members wearing a staff shirt or badge.

Hoof bumps,

Maz

Rules

General UK PonyCon Rules

UK PonyCon is an event suitable for all ages and we want to provide a fantastic convention for everyone regardless of age, gender, race or disability. To this end, we have rules which set out our expectations of you, and equally what you can expect from us in the unlikely event of an incident.

Most of this is common sense, but the full rules are available on our website www.ukponycon.co.uk/rules or from the UK PonyCon Information Desk. If in doubt, please seek out any UK PonyCon committee member who will be able to assist you.

We draw attention to the following rules/guidelines in particular:

Photography policy

Please ask before taking a photo. UK PonyCon will be photographing and filming the convention, and may also grant this permission to approved press and media. Media created from the convention may be used in promotional materials for future events organised by UK PonyCon.

Ask before touching

Please ask before handling products on stalls and make sure your hands are clean. Approach cosplayers & fursuits from the front and ask before hugging or holding. Don't touch or give unwelcome attention to anybody, in cosplay or otherwise, without their permission.

Children and Families

Attendees aged 13 and under must be accompanied by an adult aged 18 or over at all times.

Attendees aged 14 and 15 must be accompanied by an adult aged 18 or over on Saturday evening after 18:00.

Be good to each other

When at UK PonyCon, be honest, be kind, be awesome, be helpful, be generous, have fun and let's make the magic happen together.
